Clear View Triangle

Do not place signs in the 30 foot clear view triangle

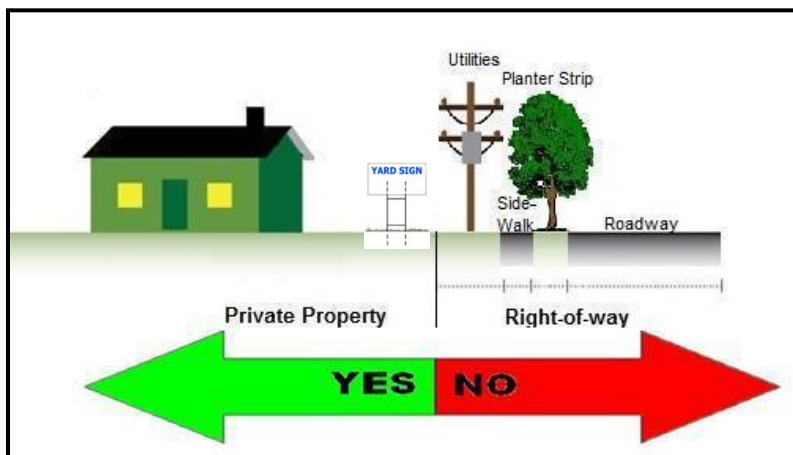

Right-of-Way

Do not place signs in the public right-of-way.

Do not place the signs between the street and the sidewalk.

If there is a sidewalk, place the signs on the private property side of the sidewalk. If there is no sidewalk, measure and place the sign 15 feet behind the curb or roadway edge to ensure that the sign is located on private property.

Public Property

Do not place signs on public property. Public property includes parks, streets, sidewalks and right-of-ways.
