

# Brooklyn Park Crime Free Housing Training Registration Form

The training and landlord guide provided by your local police department is intended to foster healthy and safe neighborhoods through landlord involvement to reduce drug dealing and other illegal activity in the community. The manual and training should not be regarded as legal advice or considered a replacement for the landlord's responsibility to be familiar with the law. In this regard, I release the police department and its employees from all liability and responsibility from my participation in this training program.
