Summary:

On September 25, 2018, the City Council approved an agreement with Fitch and Associates (“Fitch”) to lead the development of a comprehensive strategic plan for the Brooklyn Park Fire Department. The two-phase project includes a data collection/analysis effort followed by a facilitated strategic planning process.

Fitch will be presenting a high-level overview of the two-day strategic planning retreat that was held with internal and external stakeholders this past Friday and Saturday. Members of the strategic planning team have also been invited.

The consultant will prepare a draft report based on the work completed two-date. A final report will be presented at a later date.
