City of Brooklyn Park Council Work Session

Meeting Date:	May 6, 2019	Originating Department:	Operations and Maintenance
Agenda Item:	C.1	Prepared By:	Dan Ruiz, O&M Director
Agenda Section:	Discussion Items/ General Action Items	Presented By:	Todd Milburn, Deputy Police Chief Steve Nauer, Street-Fleet Division Manager
Item:	Snow Emergency Discussion		

Summary:

In 2017, the City Council directed staff to present our current practices related to the enforcement of Ordinance 72.08 – All Night Parking. The City Council and Police Department were receiving many complaints about overnight parking, particularly around apartment communities. In June of 2017, Operations and Maintenance Director Dan Ruiz and Chief Enevoldsen presented current practices as well as possible ordinance changes for consideration. The City Council also discussed parking on April 2, 2018.

On June 4, 2018, a modified option to the existing no parking rules (no parking on public streets from 2 a.m. to 5 a.m., October 15 – April 15), including a snow emergency declaration, was discussed. By declaring a snow emergency, the City could increase communication on plowing operations and address parked cars that impede plowing. This is similar to what many suburban communities are now doing. Staff was directed to draft amendments to City Code Section 72.11 to address snow emergencies for Council consideration.

On July 9, 2018, the City Council held a public hearing on the snow emergency ordinance. After testimony and discussion, the item passed 7-0 in favor of the new ordinance, provided staff brings back a report on the ordinance changes in 2019. A second reading of the ordinance was passed on July 23, 2018.

The goal of this discussion is to share the results of snow emergencies over the winter of 2018-2019. City Council action is not required to continue the snow emergency in future years because it is already in city ordinance.
