Welcome to Brooklyn Park! Thank you for your interest in opening a body art establishment in our city. **Body Art is defined as – tattooing and body piercing.** The enclosed packet includes information you will need to get started. A meeting with our division is recommended before you submit final plans.

1. **Plans and Equipment Specifications Submittal**
   A complete set of plans, to-scale, must be submitted to the Environmental Health Division for review. Plan submittals should include:

4. **Body Art Establishment License**
   The license application and fee is not due until two weeks before opening your establishment. Please contact the Licensing Division at (763) 493-8182 if you have licensing questions.

5. **Other Permits- Building, Mechanical, Plumbing, Electrical, and Fire**
   A building permit is required to build or demolish any wall or structure. Installation of HVAC, electrical or plumbing fixtures also requires a permit. Please contact a representative from the Building Division at (763) 493-8091 to determine which "construction trades permits" are required.

6. **Licensed Technician Certifications Required**
   Proof of certification and state license, or registration is required prior to license approval.

Please allow at least ten (10) working days to complete the plan review process. Failure to provide any of the required submittals at the onset of the plan review submittal may delay the plan review process. If changes are proposed after plans have been approved by this Division, additional plans indicating changes must be submitted in writing and approval must be received from the health authority.
