Every emergency ordinance shall automatically stand repealed as of the 30th day following the date on which it was adopted, but this shall not prevent reenactment of the ordinance in the manner specified in this section if the emergency still exists.

Prior to the publication of the title and summary, the Council shall approve the text of the summary and determine that it clearly informs the public of the intent and the effect of the ordinance. The publication of the title and summary shall be deemed to fulfill all legal newspaper publication requirements as completely as if the entire ordinance had been published. The ordinances of the city shall within two (2) years from the adoption of this Charter, and at intervals thereafter of not more than five (5) years, be revised, rearranged, and codified with such additions and deletions as may be deemed necessary by the Council. Such codification shall be published in book or continuously revised loose-leaf form, electronic format and entire copies or portions thereof made available by the Council, at the office of the City Clerk for general distribution to the public at a reasonable charge. Such publication shall be a sufficient publication of all of the ordinances contained therein. Notice that copies of the revision and codification of ordinances are available at the office of the City Clerk shall be published on the city website and in the official newspaper for at least two (2) successive weeks. Every book shall contain a printed certificate of the Mayor, attested to by the City Clerk, that the publication is correct and such book so published shall be received in evidence in all courts for the purpose of providing the ordinances therein contained, the same as though the original ordinances were produced in court.

#### SECTION 5.04 PROCEEDINGS ON CONDITION (Amended by Ordinance #2006-1066 Effect. 3/7/07)

If, by the City Clerk's certificate, the petition is shown to be insufficient, it may be amended so that it is in compliance with this Section within 14 days from the date on which it is returned to the Recall Committee. The City Clerk shall, within ten days after receiving such amendment, make a like examination of the amended petition. If the certificate shall show the same to be insufficient, it shall be returned to the person filing the same, without prejudice, to the filing of a new petition to the same effect. If the petition is deemed sufficient, the City Clerk shall submit the same to the Council

correct errors. If at the end of that period the petition is found to be still insufficient or irregular, the Clerk shall file it in his/her office and shall notify one or more members of the committee of that fact. If a majority of the votes on any such ordinance are in favor of it, it shall then become an ordinance of the city. Any number of proposed ordinances may be voted upon at the same election, but the voter shall be allowed to vote for or against each separately. #### SECTION 6.08 AMENDMENT OR REPEAL

Any ordinance adopted by the vote of the people cannot be repealed or amended except by the vote of the people or by the unanimous vote of all members of the Council. No such vote of the Council shall be taken until after the next regular municipal election.

The Council shall reconsider the ordinance at its next regular meeting, and by majority vote either repeal or affirm the ordinance as passed. If the ordinance is affirmed, the Council shall immediately order a special election to be held, or submit the ordinance at the next regular municipal election, pending which the ordinance shall remain suspended. SECTION 14.17 SCHEDULE (Amended by Ordinance #2005-1035 Effect. 08/10/05)

- (A) At the time of adoption, this Charter shall be in effect to the extent necessary that the procedures for the first election of members of the City Council shall be conducted in accordance with the provisions of this Charter, except that nominations by petition per Section 4.06 shall be completed by October 1, 1969, and that primary municipal elections per 4.03 shall be waived for the year 1969. This first election shall include the offices of Mayor and four Council members, as defined below, and shall be held on the first Tuesday after the first Monday of November 1969.

The Mayor and four Council members shall be elected for that period so designated on the election ballot to comply with the pattern of alternate terms as required in Section 2.03 of this Charter. The offices of two Council members, whose terms of office do not end in 1969,

shall complete the terms for which they have been elected. These Council members shall become representatives of that district in which they now reside. - (C) The present officers of the city shall continue in their respective offices and functions, and shall continue to govern the city until the first business day of January, 1970. They shall make such financial and other provisions for the fiscal year 1970 as will serve to carry on the new city government as provided by this Charter.

Pursuant to the authority contained in Minnesota Statutes, Section 410.05, Subdivision 1, the size of the Charter Commission shall be established at eleven (11) members. The size of the Charter Commission is currently 15 and currently there are ten members duly appointed and serving and one recent resignation. The purpose of this Charter Amendment is to reduce the membership from 15 to 11 and to establish terms, which shall commence and expire on a

common date. This requires a transition solution, which has been agreed to by all current Charter Commission members. The current Commissioners whose terms expire on November 1, 1989, January 14, 1990, January 27, 1990, March 25, 1990, and May 22, 1990 (being six in number) shall all be extended to June 1, 1990. On June 1, 1990, and every four years thereafter, six members shall be appointed to serve a four year term or until their successors are appointed and qualify. Current Commissioners (four) or vacancies (one) whose terms expire on October 1, 1990, July 14, 1991, September 26, 1991, June 27, 1992, and November 1, 1992 (total of five) shall be extended or shortened so that their terms shall expire on June 1, 1992. On June 1, 1992, and every four years thereafter, five members shall be appointed to serve a four year term or until their successors are appointed and qualify. All terms and vacancies thereafter shall be as prescribed in Minnesota Statutes, Section 410.05, Subdivision 2.

**SECTION 14.19 ADMINISTRATIVE PENALTIES** (Amended by Ordinance #1998-875 Effect. 7/22/98; Ordinance #2009-1102 Effect. 10/30/09)

- (A) The City Council may establish by ordinance a procedure for imposing an administrative penalty for any violation of the City Code or a City ordinance. The procedure must provide an opportunity for any person charged with an administrative penalty to be notified of the penalty and to have an opportunity to respond to the charge. The procedure may authorize the City to use the services of a non-City employee to decide whether an administrative penalty should be imposed.
- (B) The City Council may provide by ordinance that unpaid administrative penalties be collected as a special assessment against real property if the administrative penalty relates to the maintenance of the property or to an activity, proposed use, or delivery of City service associated with the property. The ordinance must provide that the City should first attempt to obtain voluntary payment of the penalty. The ordinance must also provide that notice and an opportunity to be heard will be given to the property owner listed on the official tax records before the penalty is assessed.
- (C) With respect to unpaid administrative penalties specially assessed against real property pursuant to Paragraph (B) of this Section, the special assessment may include the administrative and legal costs incurred by the City in connection with collecting those unpaid administrative penalties.
